Sample Data

Blog Sample Data

Sample data which will set up a blog site with articles, tags, custom fields and a workflow. If the site is multilingual, the data will be tagged to the active backend language.

2 Aller sous Templates > Site Template Styles

The screenshot shows the Joomla! administrator interface. On the left is a dark navigation sidebar with 'System' and 'Help' options. The main content area is divided into two columns. The left column contains a list of menu items: 'Discover' (with a green checkmark), 'Languages', a 'Templates' section header with a pencil icon, 'Site Templates', 'Site Template Styles' (highlighted with an orange circle), 'Administrator Templates', 'Administrator Template Styles', and 'Mail Templates'. The right column contains a 'Manage' section with a list of links: 'Extensions', 'Languages', 'Content La...', 'Language I...', 'Plugins', 'Redirects', 'Guided Tou...', 'Scheduled', and 'Site Modul'.

3 Se rendre sous cassiopeia_ton_theme_enfant

The screenshot shows the Joomla! administrator interface. On the left is a dark navigation sidebar with 'Content', 'Menus', 'Components', 'Users', 'System', and 'Help' options. The main content area has a 'Site' dropdown menu set to 'Site'. Below it is a list of styles, each with a radio button and a dropdown arrow: 'Style', 'Cassiopeia - Default', and 'cassiopeia_bee_cool - Default' (highlighted with an orange circle).

4 Aller sous l'onglet Advanced

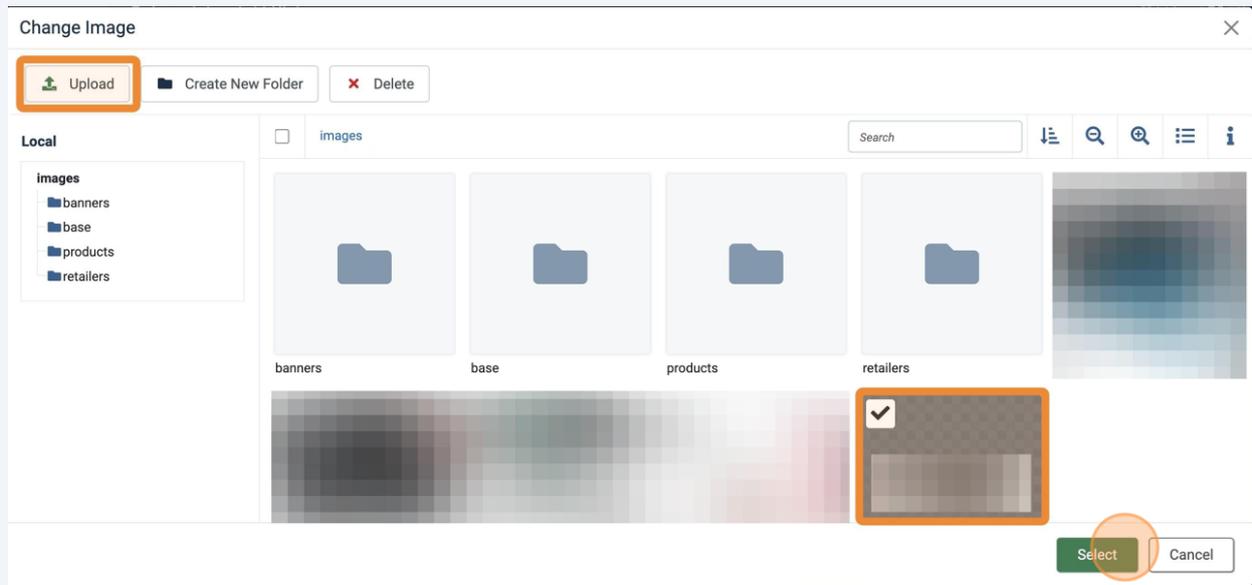

The screenshot shows a top navigation bar with three buttons: 'Save', 'Save & Close', and 'Close'. Below this is a 'Style Name *' field containing the text 'cassiopeia_bee_cool - Default'. A tabbed interface below has three tabs: 'Details', 'Advanced' (which is selected and highlighted with an orange circle), and 'Menu Assignment'. The main content area displays the title 'cassiopeia_bee_cool' and a 'Site' label. Below the label is a paragraph of text: 'Continuing the space theme (Solarflare from 1.0, Milkyway from 1.5 and Protostar from 3.0), Cassiopeia is the Jc'.

5 Clique sur Select pour choisir ton image

The screenshot shows the 'Advanced' tab selected in the tabbed interface. The 'Brand' field has a checked checkbox and the text 'Yes'. The 'Logo' field contains a large grey placeholder box with a small image icon in the center. A 'Select' button is positioned at the bottom right of the placeholder box and is highlighted with an orange circle. Below the logo field are two text input fields: 'Title (alternative to logo)' and 'Tagline'. A small note below the 'Tagline' field reads 'Optional text to show as a subheading'.
