

Afficher la position des modules dans site front

1 Se rendre dans les configurations du système

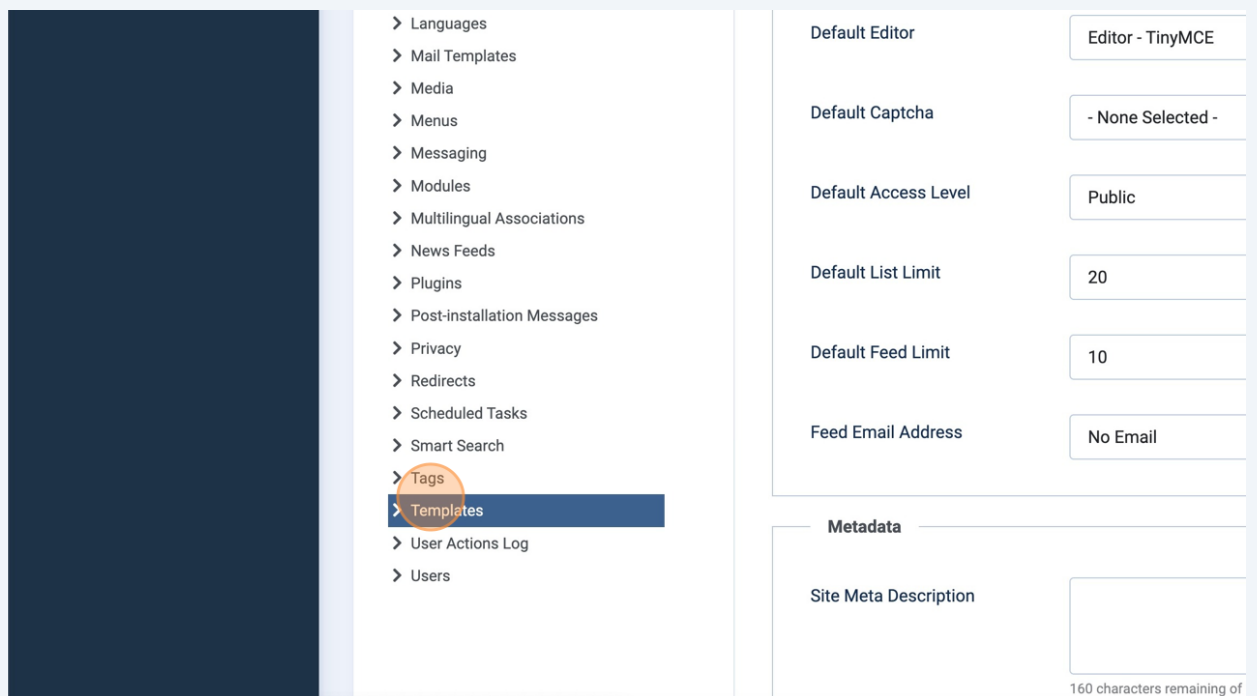

2 Aller sous Configuration Global

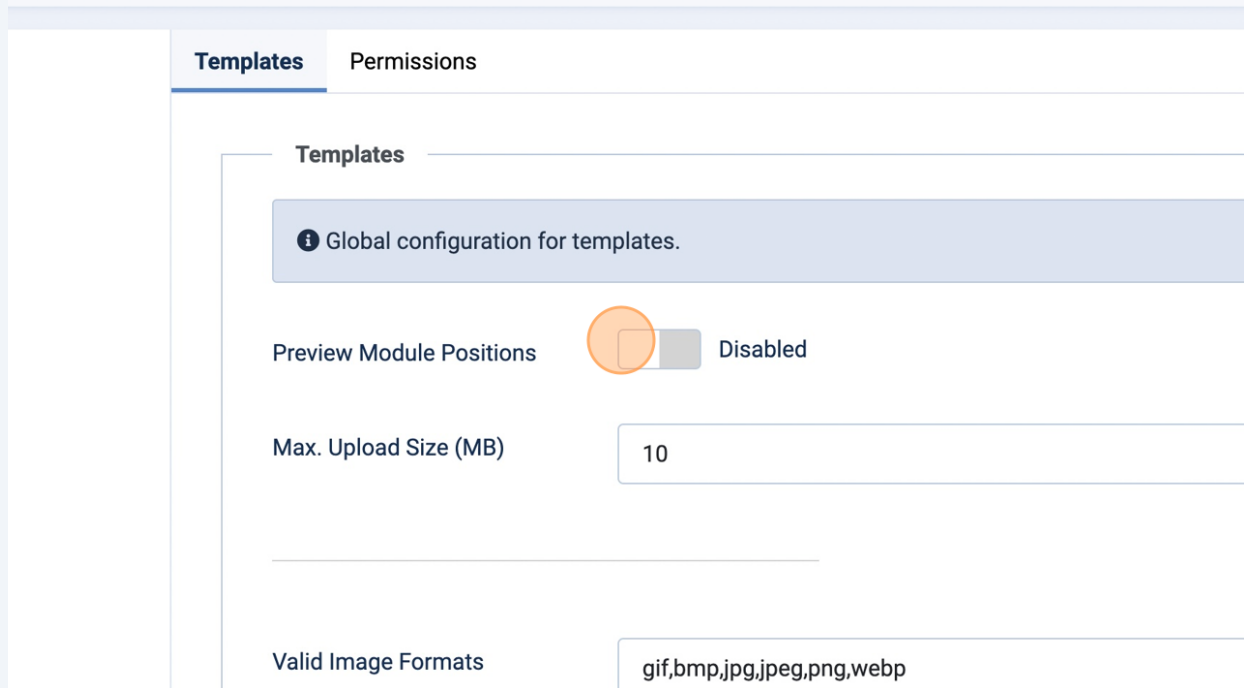

The screenshot shows the Joomla! System Dashboard. On the left is a dark sidebar with the Joomla! logo and a menu: Toggle Menu, Home Dashboard, Content, Menus, Components, Users, System (highlighted), and Help. The main area is titled 'System Dashboard' and contains several sections: 'Setup' with a link to 'Global Configuration' (highlighted with an orange circle), 'Install' with links to 'Extensions', 'Discover', and 'Languages', and 'Templates'. On the right, there is a 'Main' section with links to 'Clear Cache', 'Databases', and 'Global Configuration'.

3 Sélectionner l'entrée templates

The screenshot shows the Joomla! Configuration page. On the left is a dark sidebar with a menu: Languages, Mail Templates, Media, Menus, Messaging, Modules, Multilingual Associations, News Feeds, Plugins, Post-installation Messages, Privacy, Redirects, Scheduled Tasks, Smart Search, Tags, Templates (highlighted with an orange circle), User Actions Log, and Users. The main area is divided into two columns. The left column contains settings for Default Editor (Editor - TinyMCE), Default Captcha (- None Selected -), Default Access Level (Public), Default List Limit (20), Default Feed Limit (10), and Feed Email Address (No Email). The right column is titled 'Metadata' and contains a 'Site Meta Description' field with a text area and a character count: '160 characters remaining of'.
